\*6a Planning Application Consultation 22/00406/FUL

The Parish Council had a meeting last night and wish the comments below to be recorded on this application.

As Lichfield D C has designated an "Article 4 Direction" in respect of The Yews, and has also recorded it amongst the 26 properties within the Haunton Conservation Area that are "Locally Listed" on it's "List of Buildings of Special Local Interest", it is anticipated that the LPA will require the Applicants to submit a Heritage Statement in accordance with it's Guidance on "Applications affecting Heritage".

As the Applicants nor their Agent have yet submitted a document that can be defined as a "Heritage Statement", the Parish Council meeting on 10th May 2022 resolved to defer a Consultee Response until a Heritage Statement in respect of the proposed alterations is available.

It is also noted that the Applicant's Planning and Sustainability Statement is inaccurate. The "Health and Welfare" section refers to a "Village Post Office in Harlaston", and "Bus Service 82 runs from Haunton to Tamworth on an hourly basis". The Parish Council wishes to advise that Harlaston's post office closed in 2020, and Bus Service 82 has not operated since April 2018, when Staffordshire County Council rationalised public transport support.
